

Fact Families

Write the related addition fact for $2 + 4 = 6$.

1. + =

Write the related addition fact for $3 + 4 = 7$.

2. + =

Write the related addition fact for $4 + 8 = 12$.

3. + =

Write the related addition fact for $2 + 7 = 9$.

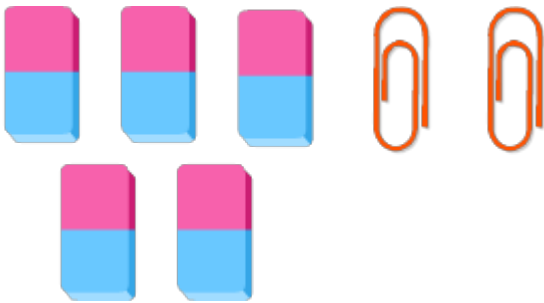

4. + =

Write the related addition fact for $3 + 5 = 8$.

5. + =

Write two related addition facts for the given picture.

6.

$$\square + \square = \square \quad \{\text{br}\} \quad \square + \square = \square$$

7.

$$\square + \square = \square \quad \{\text{br}\} \quad \square + \square = \square$$

8.

$$\square + \square = \square \quad \{\text{br}\} \quad \square + \square = \square$$

9.

$$\square + \square = \square \quad \{\text{br}\} \quad \square + \square = \square$$

10.

$$\square + \square = \square \quad \{\text{br}\} \quad \square + \square = \square$$

Write the related subtraction fact for $4 - 1 = 3$.

$$11. \quad \square - \square = \square$$

Write the related subtraction fact for $11 - 7 = 4$.

$$12. \quad \square - \square = \square$$

Write the related subtraction fact for $5 - 4 = 1$.

$$13. \quad \square - \square = \square$$

Write the related subtraction fact for $14 - 6 = 8$.

14. - =

Write the related subtraction fact for $20 - 2 = 18$.

15. - =
