

Estimate Differences

Which of the given expressions has a difference of about 60?

1. $94 - 23$
 $86 - 29$

Which of the given expressions has a difference of about 10?

2. $23 - 11$
 $93 - 41$

Which of the given expressions has a difference of about 40?

3. $68 - 32$
 $49 - 25$

Which of the given expressions has a difference of about 70?

4. $65 - 21$
 $98 - 25$

Which of the given expressions has a difference of about 90?

5. $85 - 58$
 $99 - 8$

Which of the given expressions has a difference of about 40?

6. $76 - 39$
 $57 - 33$

Which of the given expressions has a difference of about 10?

7. $68 - 42$
 $15 - 5$

Which of the given expressions has a difference of about 20?

8. $88 - 71$
 $77 - 22$

Which of the given expressions has a difference of about 80?

9. $81 - 35$
 $96 - 16$

Which of the given expressions has a difference of about 30?

10. $69 - 38$
 $86 - 28$

Which of the given expressions has a difference of about 200?

11. $925 - 176$
 $775 - 566$

Which of the given expressions has a difference of about 800?

12. $904 - 111$
 $628 - 520$

Which of the given expressions has a difference of about 200?

13. $978 - 721$
 $388 - 221$

Which of the given expressions has a difference of about 900?

14. $986 - 340$
 $978 - 125$

Which of the given expressions has a difference of about 800?

15. $899 - 140$
 $652 - 329$
